I have been in the nursery business since 1906, starting at Fayetteville, Arkansas. In 1917 I sold out and went to McCune, Kansas, and in 1919 moved to Chanute, Kansas, where I bought out another nursery, and have sold out all of it except certain grades, and I am now offering it at the enclosed prices; 6 at dozen rates or 50 at 100 rates.

Address all orders to
